Breakfast Club Supervisor

Due to the continuing success of our Breakfast Club and with our current supervisor moving on after the summer holidays we need to appoint a new supervisor to coordinate the team.

Vitality, the role is about ensuring that the children at breakfast club are happy, engaged in activities and having the best start to their school day. The role will include setting up tables, preparing and serving breakfast, clearing away, loading and emptying the dishwasher, supervising children during their breakfast and supervising activities for the children afterwards. The post holder will be responsible for food preparation and ensuring this complies with Health Standards.

Hours: Monday – Friday (Term-time only) 7:30 – 8:45 (6.25 hours per week)

£7.78 per hour

The post is to start in September (once DBS check and any relevant training is complete) and is a permanent post.

A qualification in Food Hygiene and Handling would be an advantage as would recent Safeguarding training, however both will be offered to the successful applicant.

We are offering:

- A thriving and vibrant school community that is moving from strength to strength
- Enthusiastic, motivated and happy, well-behaved children who are eager to share, learn and succeed
- A highly-supportive staff team

If you are interested in this post, please come and see me for an informal chat.

We hope to appoint before Tuesday 24th July.

Alex Griffiths

Headteacher
